Honorable John Marshall Butler  
United States Senate  
Washington 25, D. C.

Dear Senator Butler:

Thank you for your letter of 1 November concerning the application of [redacted] for employment with this organization.

[redacted] has been in touch with our personnel office on several occasions in recent months and took our employment tests on 29 and 30 September. Her performance on those tests was somewhat below standard and she was advised that there was no opportunity for her immediate employment. She was further advised that she could take the tests again in a year if she felt she could improve her skills. [redacted] called our personnel office on 10 November and asked that her Form 57 be returned to her. We have done so and a copy of our letter to her is enclosed.

Your interest in writing on [redacted] behalf is appreciated. If she should decide to reappear for application and perform more successfully on our tests, we shall be glad to give her every consideration for such vacancies as may exist at that time.

Sincerely,

SIGNED
